

Dear Living Word Family,

School is out for summer and we are due for some sunny days finally this weekend! I hope the summer will bring you and your loved ones some “unscheduled” time to enjoy each other and God’s creation.

Even though work hours may change for summer and school is out, our Living Word activities and worship time will remain unchanged. Please join us when you can. We have been blessed the past six months at Living Word. I know the vote in early January was upsetting, and worrisome. But you have continued to carry out ministries to the neighborhood, and our financial standing has remained firmly fixed. We may be a small sized group, but you are passionate about your church and God! Thank you!

Please continue your prayers and support.

God’s blessings

Vicar Rachel

*“Be joyful in hope, patient in affliction and persistent in prayer”*

Romans 12:12
